A black cat is hanging upside down from a branch, its paws gripping a raspberry. The cat's body is dark with some lighter patches on its belly. It has a long, bushy tail. The background is a lush green forest with many leaves and branches. A bee is flying nearby, and the text 'Hoppsan, Osis! Se upp för grenen!' is written in the upper right. The cat is looking up at the raspberry with a surprised expression, and the text '- UFF!' is written near its head.

Hoppsan, Osis!
Se upp för grenen!

- UFF!

A black rabbit with large white eyes and a pink nose is sitting on the forest floor. It is looking up at a glowing dandelion seed head. The forest has tall, thin trees with reddish-brown bark and green foliage. There are yellow flowers and green leaves on the ground.
